

Sturgeon papers

- 778** - Use of decision analysis to prioritize recruitment failure hypotheses and focus management responses for white sturgeon (*Acipenser transmontanus*) from the upper Columbia River., Gary Birch, Paul Higgins, Robin Gregory, Graham Long,
- 1687** - Substrate preferences of larval white sturgeon (*Acipenser transmontanus*) and potential links to recruitment failure, Steven McAdams
- 884** - Effects of spawning time on variability in early life history traits: Implications for lake sturgeon recruitment and restoration, James Crossman, Patrick Forsythe, Christin Davis, Kim Scribner, Edward Baker,
- 941** - Estimates of survival probabilities for lake sturgeon eggs in natural stream conditions using analytical and simulation approaches., Patrick Forsythe, Jamie Crossman, Kim Scribner, Ed Baker,
- 759** - Early life-stage mortality and recruitment of lake sturgeon in a Great Lakes tributary, Trent Sutton, David Caroffino, Angela Benson-Grier, Robert Elliott,
- 1763** - Latitudinal differences in ontogenetic behavior between two populations of shortnose sturgeon: A laboratory study, Erika Parker, Boyd Kynard,
- 1162** - Predicting spawning success of shovelnose sturgeon using reproductive physiology and archival data storage devices (DSTs), Ginger Davis, Mark Wildhaber, Scott Holan, Aaron DeLonay, Diana Papoulias, Janice Bryan,
- 1754** - Evidence for protracted spawning in shovelnose sturgeon from the Missouri River, Diana Papoulias, Patrick Braaten, Aaron DeLonay, Wyatt Doyle, David Fuller, Darin Simpkins, Mark Wildhaber, David Galat,
- 1518** - Abundance, habitat use, diet and population parameters of juvenile lake sturgeon in the Winnipeg River, Manitoba., Cam Barth, Stephan Peake, Gary Anderson, Mark Abrahams,
- 998** - Long term migration patterns of adult lake sturgeon, Winnebago System, Wisconsin, Ronald Bruch, Fred Binkowski,
- 1583** - Spatial habitat use in anadromous North American sturgeons and its importance for conservation, Daniel Erickson, Gosia Bryja, Steven Lindley, Mary Moser, Michael Belchik, Andy Kahnle, Mike Millard, John Weber, Joseph Hightower, Phaedra Doukakis and Ellen Pikitch,
- 1793** - Marine migrations of green sturgeon (*Acipenser medirostris*) tagged in the Klamath River, Barry McCovey, Steve Lindley,
- 951** - Estuarine use and habitat partitioning by green sturgeon, Mary Moser, Steve Katz, Greg Williams, Steve Lindley,
- 1085** - Modeling green sturgeon habitat in the Central Valley, CA., Ethan Mora, Daniel Erickson, Steve Lindley,
- 1760** - Identification and characterization of critical winter habitat of juvenile Gulf sturgeon, Kenneth Sulak, Michael Randall,
- 748** - Habitat Suitability Criteria for Sacramento River White Sturgeon Spawning, Mark Gard, ce0d24 (infos)
- 954** - Are Kootenai River White Sturgeon BAD Parents, Vaughn Paragamian, Richard McDonald, Gary Barton, John Nelson, Sue Ireland,
)
- 1410** - Resource selection of gravid shovelnose sturgeon in the Lower Missouri River, Thomas Bonnot, Mark Wildhaber, Joshua Millspaugh, Aaron DeLonay, Robert Jacobson, Diana Papoulias,
- 551** - Oceanic distribution, abundance, and habitat concentration of sub-adult Atlantic Sturgeon in the New York Bight, Keith Dunton, Adrian Jordaan, Michael Frisk, David Conover,
- 34** - Spatial distribution and movement patterns of lake sturgeon (*Acipenser fulvescens*) determined by telemetry on the Eastmain and Rupert Rivers (Quebec), Frédéric Burton, Patrick Lafrance, Marc Gendron, Gabriel Durocher,
- 1835** - Annual movement and migration patterns of Atlantic and shortnose sturgeons in the Penobscot River, ME, Stephen Fernandes, Gayle Zydlewski, Michael Kinnison,
- 1779** - The plight of the pallid: the cost of living in an endangered ecosystem, Robert G. Bramblett, Christopher S. Guy,
- 1116** - Developing a sturgeon-compatible ladder: passage performance and stress responses, Joseph Cech Jr., Dennis Cocherell, Ayako Kawabata, Z.Q. Richard Chen, Emily Anderson, Daniel Kratville, Leslie Mirise, Jason Webber, H. Bandeh, Kara Carr, M. Cayar, I. Haltas, Lan Liang, Christopher Wilkinson, Maureen McGee Rotondo, Roger Padilla, Roger Churchwell, and M.L. Kavvas,

- 49** - The Ups and Downs of White Sturgeon Passage at The Dalles Dam, Michael Parsley, Corey Wright, Christopher Peery, Mary Moser,
- 888** - Lack of lake sturgeon recovery in a large regulated river, Tim Haxton, Scott Findlay,
- 1503** - Is stress a motivating factor in juvenile lake sturgeon aggregations?, Peter Allen, Stephen Peake, Gary Anderson,
- 1519** - Bioaccumulation and Effects of Methylmercury in Juvenile Green Sturgeon., Robert C. Kaufman, Ann G. Houck, Joseph J. Cech, Jr.,
- 1532** - Gill Morphology and Epithelial Cell Ultrastructure in Juvenile Green Sturgeon (*Acipenser medirostris*) and Effects of Salinity Increase., M. McEnroe, P. Allen, T. Forostyan, V. Woo, J. J. Cech, Jr.,
- 1635** - The Elusive Minimum Viable Population Size for Sturgeon, Henriette Jager, Ken Lepla, Paul Anders, Webb Van Winkle,
- 1633** - Status of white sturgeon population and CPFV fishery in the San Francisco Bay-Delta, 1964-2005, Michael Donnellan, Marty Gingras, Dave Kohlhorst,
- 997** - Sturgeon on the edge: potential responses to harvest in the Mississippi River, James Garvey, 21a77c (infos)
- 797** - Power to Detect Trends in Pallid and Shovelnose Sturgeon Populations in the Lower Missouri River, Janice Bryan, Mark Wildhaber, M. Peery, Vincent Travnicek, Gerald Mestl, Tracy Hill, Mark Drobish,
- 273** - Integrating Data Collection and Management Tools to Support Multidisciplinary Research of Sturgeon on the Lower Missouri River, Kimberly Chojnacki, Emily Tracy-Smith, Sandra Clark-Kolaks, Aaron DeLonay,
- 1288** - ESA and its impact on North American sturgeon conservation, Dewayne Fox, Lori Brown,
- 1798** - Identifying the fundamental unit of management in U.S. Atlantic coast sturgeons: A genetic-based approach, Tim King, Barbara Lubinski, Anne Henderson, Doug Peterson,
- 1795** - The role of aquaculture in the conservation of sturgeons, Serge Doroshov, Fred Conte,
- 1080** - Evolution of a transboundary conservation aquaculture program for endangered white sturgeon in the Kootenai River, Susan Ireland,
- 969** - Using Parentage Assignment in Sturgeon Conservation Aquaculture: A Kootenai Case Study, Andrea Drauch, Karrigan Bork, Jeff Rodzen, Bernie May,
- 1755** - Upper Columbia White Sturgeon Recovery: Monitoring the Effectiveness of the Hatchery Supplementation Program, Larry Hildebrand, Michael Hildebrand,
- 1558** - Evaluation of dispersal patterns in hatchery reared pallid sturgeon over multiple years and stocking sites in the lower Missouri River, Wyatt Doyle, Nicholas Utrup, Tracy Hill,
- 1759** - Population and mortality estimates of wild and hatchery-released Gulf sturgeon in the Suwannee River, FL, Michael Randall, Kenneth Sulak,
- 795** - Pallid sturgeon stock structure and hybridization; implications for stocking hatchery reared individuals., Aaron Schrey, Edward Heist,
- 1111** - Scuting Forward: Tennessee's Lake Sturgeon Restoration Program 2004-2007, George Scholten, Ed Scott, Anna George, Sabrina Novak, Carlos Echevarria, Thomas Sinclair,
- 1070** - Development of protective regulations and critical habitat designation for the Southern Distinct Population Segment of North American green sturgeon (*Acipenser medirostris*), Melissa Neuman, Susan Wang, Steve Lindley, Mary Moser, Ethan Mora,
- 1097** - Fin regeneration in lake sturgeon as a function of fin clipping, Jeffrey Nuese, Fred Binkowski, Ronald Bruch,
- 1115** - Using molecular genetic data to reconstruct kingroups: an approach for evaluating green sturgeon recruitment dynamics, Joshua Israel, Bernie May,
- 1208** - Description of non-tailrace spawning habitat of Nechako white sturgeon (*Acipenser transmontanus*) and the relation between spawning and recruitment failure., Cory Williamson, Steven McAdam,
- 1429** - Status of North American white sturgeon (*Acipenser transmontanus*): A significant cause for concern, Paul Anders, Webb Van Winkle, Larry Hildebrand, Ken LePla, Tom Rien,
- 1469** - Black fly larvae: a novel approach to lake sturgeon conservation aquaculture, Cheryl Klassen, Stephan Peake,

- 1491** - Intracellular pH protection during severe hypercapnia in white sturgeon, Daniel Baker, John Morgan, Colin Brauner,
- 1508** - Population characteristics of shovelnose sturgeon in the lower Missouri River, Nicholas Utrup, Wyatt Doyle, Tracy Hill,
- 1562** - Evaluation of a range-wide monitoring program and hatchery propagation success of hatchery reared pallid sturgeon in the lower Missouri River, Tracy Hill, Wyatt Doyle, Nicholas Utrup,
- 1749** - Does Acclimation Reduce Post-stocking Dispersal of Age-1 Pallid Sturgeon?, Eric Oldenburg, Chris Guy, Bill Gardner,
- 1753** - Incidence and severity of intersex in sturgeons: are contaminants the cause?, Diana Papoulias, Aaron Delonay, Mark Wildhaber, Mandy Annis, Donald Tillitt,
- 207** - Response of white sturgeon to pipeline and hopper dredge operations, Nicholas Popoff, Michael Parsley, Bjorn van der Leeuw,
- 21** - An evaluation of RIA and ELISA as tools to identify lake sturgeon gender for population management, Jaquelyn M. Craig, Michael V. Thomas, Diana M. Papoulias, James Boase,
- 847** - Annual movement and migration patterns of Atlantic and shortnose sturgeons in the Penobscot River, ME, Gayle Zydlewski, Michael Kinnison, Joseph Zydlewski,
- 850** - Lake Sturgeon Sampling Techniques on the Upper Mississippi River., Marcus Miller, Timothy Spier, Travis Moore, Greg Snellen,
- 852** - A Southern Gent's View of Wisconsin's Lake Sturgeon Spearing Season, Travis Moore, 6b7099 (infos)
- 853** - Habitat Use and Movement of Adult Lake Sturgeon In Pool 24 of the Mississippi River, Greg Snellen, Travis Moore, Timothy Spier, Marcus Miller,
- 971** - Applying Genetic Techniques to Resolve Critical Uncertainties in White Sturgeon Management, Andrea Drauch, Jeff Rodzen, Jim Banks, Bernie May,
- 747** - Spawning of Scaphirhynchus Sturgeon in the Missouri National Recreational River below Gavins Point Dam., Darin Simpkins, Diana Papoulias, Steven LaBay,
